### **Director's Report:**

The Dickens movie had 27 in attendance. Santa's visit also went well. The no smoking signs in the front of the building are up. At least \$459 in fines has been waived during the Food for Fines campaign. Gobin's no longer does faxes so they are sending people to the library. Gobin's has offered the library a larger copier. The last interview for the Director's job was Dec. 17. Hopefully the new director will be hired before the end of the year. The library is working on providing tax aide in February with the help of Peggy Powell.
