Director's Report:

There have been a series of encounters with youth who are being disruptive. The library does have a code of conduct, but no mechanism for enforcing it. Kim has met with city officials and would like feedback from the Advisory Board. Discussion followed regarding enforcement mechanisms. The Board is open to a "permanent ban" for extreme cases, but would like to see more examples of what other libraries are doing. The board tabled the discussion until they can meet with Kim.

Kim requested whether the Advisory Board would be willing to receive quarterly instead of monthly stats. Sentiment on the Board is that we don't have an obligation to receive monthly stats.

Other Business:

Tax help from AARP is taking off. They have received referrals from the Senior Center.

Meeting Adjourned: 6:10 pm
